## **14 LIST OF ATTACHMENTS**

- Attachment 1 - Club location and sailing area
- Attachment 2 - Green fleet Guidelines
- Attachment 3 - Introductory Rules for Racing

## Attachment 1: Regatta Venue and Racing Area

## Attachment 2: Green Fleet Guidelines

1. In the Green Fleet emphasis is on fun. The objective of this regatta is to offer younger and less experienced sailors the opportunity to sail and participate at the O'pen Skiff events without feeling the need or burden to sail in the more competitive and arduous Gold and Silver Fleets.
2. Sailing will be a mixture of adventure sailing, racing, freestyle and any other form of sailing that the organisers deem fit.
3. Sailors will benefit from a high level of coaching throughout the event.
4. Sailors entering the Green Fleet should be of a level of sailing similar and/or equal to Tackers 2.
5. Green Fleet racing is intended to be run dependent on weather forecasts and prevailing winds. Should the conditions be such that racing is an option this will be conducted on a separate course.
6. All Green Fleet participants shall comply with the 2017 International O'pen Skiff Class Rules.
7. The Green Fleet will consist of a variety of activities, led by appropriately qualified activity leaders/rules advisors (in an approximate ratio of 1:10 on the water). These activities may include both shore and on-water based skills, coaching and on-water games.
8. Prizes may be awarded for 'encouragement' and 'taking part' as well as placing for positions. Prizes will be awarded at the discretion of the Organising Authority.
9. Parents, guardians and friends are encouraged to come and spectate but please refrain from coaching/communicating with sailors and allow the qualified coaches to deal with any issues/circumstances that arise.

## Introductory Rules for Racing

Version 1.01 - February 2008

### Some Explanations

*Windward and Leeward:* The *leeward* side of your boat is the side where your mainsail lies. The *windward* side is the other side.

*Port and Starboard tack:* You are on *port* or *starboard* tack according to your *windward* side.

*Advisor:* A person appointed by the race organizers to assist competitors in understanding the rules and, when appropriate, to penalize a boat.

### Basic Rules

1. You must comply with the principles of good sportsmanship.
2. You must try not to collide with another boat.

### Rules When Boats Meet

3. When you and the other boat are on opposite *tacks*, if you are on *port* tack you must avoid the boat on *starboard* tack.
4. When you and the other boat are on the same *tack*, you must avoid the other boat
  - (a) if she is in front of you, or
  - (b) if she is on your *leeward* side.
5. After starting, when you and the other boat approach a mark or an object that both boats need to avoid, and the other boat is between you and the mark or other object, you must give her sufficient space to pass it safely on the same side. However, when the boats are on opposite tacks at a windward mark, this rule does not apply.
6. When the other boat is required to avoid you, if you change course, you must give the other boat an adequate opportunity to avoid you.

### Other Rules

7. At the starting signal you must be behind the starting line.
8. After the starting signal, you must sail the course described by the race organizers.
9. You must not touch a mark of the course that is a committee vessel.
10. If you think you or another boat has broken a rule or if you are unclear about the rules at any time during the race, you must describe the incident to the *advisor* after the race. The *advisor* may then add two points to the score of any boat that has broken a rule. If the offence is serious, the *advisor* may add extra points to the boat's score.
